RE: Roof Maintenance
Leon County Courthouse
301 South Monroe Street

Dear Mr. Sessions:

As requested, Dove Roofing Co., Inc. submits the following proposal for roof maintenance/roof coating of the Leon County Courthouse roof:

- I. Existing roofing is approximately 630 squares of Firestone EPDM membrane fully adhered to insulating concrete decking. Existing membrane is surface coated with Firestone PC-100 white acrylic roof coating.
- II. Entire EPDM roof surface to be pressure washed. Minor deficiencies on roof surface to be marked for repair. Any deficiency noted not of a minor nature to be immediately reported to owner's representative.
- III. Marked minor deficiencies to be repaired.
- IV. Entire EPDM roof surface to be re-coated with Firestone PC-100 white acrylic roof coating.

Price for work as specified: \$44,200.00

Thank you for allowing us the opportunity of providing this proposal.

Sincerely,

Robert F. Dove
